When They Say Yes

- Yay!! Fantastic! HOST will be so excited! 🎉 I have one spot left the (1st/2nd/3rd/4th week in MONTH). I will get everything all set up for you and let you know when it is ready for you to jump on and invite. How does that sound? Could I please get an email address and mailing address to set it up for you? 😊

When They Confirm the Booking Date

- Great! 😊 Thank you! In the meantime, please watch this short message from me! <https://youtu.be/HKgSpg40FdU>

Host Message -

1st Message -

Hey [Host]! It's Ashley Vollmer with Pampered Chef! Thanks for scheduling an online Pampered Chef Party with me! Your Host Special is really awesome!! This is to confirm our party starting [Party Start Date]. I've got it on my calendar. Please put it on yours. 😊

My average host earns \$240 in free products of their choice, a 60% off host special, 5 50% off items or set, and 30% off everything else. I'd love to know what you'd like to get free with your \$240! ❤️ Use the link below to create a wish list or just send me a text with your wish list items and I'll get the game plan for us to get it all in your kitchen.

pamperedchef.com/pws/ashleyvollmer/wishlist-home

Under "create a wish list", choose "get started". As you find products you'd like, just select the ❤️ in the corner of the products you want or choose "add to wish list."

2nd Message -

Here is a Host Packet to check out for now and let me know if you have questions on anything!! 😊 (host packet link)

How to find host packet link - In Consultants Corner, go to Marketing Imagery, search for “Current Months Host packet” example: “January Host Packet”, then click copy link and share that link with host with above message.

3rd Message -

Sound good so far?? I have a quick and exciting video for you to watch, it's 8 minutes! Be sure to catch the whole thing so you know exactly how our party will work and you don't miss the key phrase! You're going to love it and we are going to have so much fun! <https://youtu.be/4PYY7UJVqLs>

If this all sounds good, send me a thumbs up! I can't wait! 😊

After they reply, send

Awesome! We'll work together to get your wish list items in your kitchen for free or greatly discounted. My average party is \$1,100 and those hosts get \$240 free! But I have several parties a month that go well over that, so there's no reason why yours can't be one of them! 😍 We'll play a little game of follow the leader. I'll be the leader and as long as you follow my simple suggestions, you'll have a successful party. We'll get there using what's called the 5-15-5 formula for success. That's 5 orders before the party starts from guests that say they can't make it or they just don't get online, 15 orders during the party, and another 5 orders after the party from guests that don't join or just get busy and forget.

Sound like a plan, Stan? 😊

After they reply, send

Perfect! I can't wait to spoil you with tons of free Pampered Chef! Please check out my 2-minute video and let me know what I mention our goal is for members in the party so I can give you an extra free gift when we get there! 😊

Host Message -

Good Evening, I hope you had a good day. I just have to ask what might seem like a crazy question...but...have you ever thought of doing something like Pampered Chef for fun or for extra income...or would you consider it? Because instead of me earning the commission on your party this week, You could grab a starter kit - we just announced an awesome deal right now for just \$50!! and have this party be a "try me" party! I would still continue the party as we are, do all the posting and the work...you'd still get the host rewards AND you would get the commission too, about \$100+! Most of my hosts decide "why not" and give it a try! I promise you really don't have anything to lose and I think you would be surprised at how easy it is too! Here are the the 6 Brand New starter kits we offer at a huge discount. What do you think?

Host Message -

1st Message -

Good Morning (HOST)! ❤️ I have your party all set up and ready to go! Here is the link to join your party! Go ahead and click the link, join the party, and create a welcome post with a photo about yourself, why you are having a party, and/or your favorite PC products so your friends can see it when they join! You can also

upload a photo of yourself as your profile picture, comment on the posts, play the games, and explore the virtual kitchen! Yay! 🎉 (INSERT TABLE PARTY LINK)

2nd Message -

As I have mentioned, attendance is the #1 key to a successful party! My happiest hosts have 25-30 guests join the party! When you reach 30, you will get a gift from me! (Remember - not everyone you invite will join, so you will need to invite more than 30) 😊

In the next message I'll share the words you can use to text or FB message friends to invite them to the party. Just copy the ENTIRE MESSAGE once and you can paste it to each one in a separate INDIVIDUAL message. Quick reminder to keep a list as you go of who you're inviting! That will make reminders quick and easy! 😊

One more reminder, just follow my lead and we will work together so you and your guests have the most enjoyable experience! 😊 The first 20 guests to join will be getting a gift from me!

Your 10-minute task for today is to send the invite message to 40 friends. When you copy/paste it should only take about 10 minutes. Changing the first name each time will add a nice, personalized touch.

Below is the message to copy and send them the ENTIRE MESSAGE. 😊

Send me a thumbs up after you send your invites TODAY! 👍

Happy Hosting! ❤️

Look what's on the Table for you to earn during your party!!

30 guests join your party	→	Gift added to your host order!
12 orders during the party	→	\$10 off your host order!
3 qualifying parties from your party	→	\$50 credit from PC!

PLUS!! All of the host rewards you can earn based on sales!

3rd Message -

Invite Message -

Hey there! 😊 I hope you're doing awesome! 🎉 I'm super excited to invite you to a Pampered Chef Experience online (but NOT on Facebook, promise! 😊). It's all happening on Pampered Chef's new platform, Table, and I would LOVE for you to join in on the fun! 🍷

My amazing consultant, Ashley Vollmer, will be sharing her top 5 budget-friendly meals, doing a live cooking demo, and offering discounts, giveaways, plus a ton of delicious recipes and quick meal ideas! 🔍📺 You won't want to miss this! 😊

Just click the link to join the party, and make sure to include your cell number for timely updates, an eCookbook with all the recipes, and a chance to win awesome prizes! 📺 The first 20 people to join get a FREE gift!

🎉 JOIN HERE: [Party URL] 🎉

4th Message -

SUCCESS TIP to bring in 5 Outside Orders ➡ Below is a response if they say NO to the invite and then the follow up response if they would still like the link to shop. 🍷

Remember to keep track of who you are inviting AND of any NOs that want the link so we don't leave them behind. The link message below is just for the NOs that want to browse and shop. 😊

HAPPY HOSTING! 😊

5th Message -

That's ok. Thanks for letting me know. 😊 We'll miss you at the party. I don't want to leave anyone behind at the end. Would you like the catalog link to see what's new? 😊

Once they respond, send them this:

Great! ❤️ Here you go. If you find something you'd like, place your order by Wednesday and I'll get extra party credit. You're the best! 🎉❤️

[Party Shopping URL]

Let me know if you have any questions. 😊

Confirm they have joined by 7pm, if not, send this:

- Just checking to see if you got my messages above and if you have 10 minutes tonight to join your party and copy and paste the invite message to 40 friends? 😊 I want your party to be awesome for you! ❤️

Friday (Pre Party) -

Host Message -

Confirm the host has joined and continue with sending the Host Messages below.

If the host hasn't joined yet, send this:

- Good Morning! Are we still on to party? I haven't seen that you joined your party yet or invited anyone. 😊 Did my instructions make sense or do you just need a little more time?

1st Message -

Good Morning! You're up to X guests! Way to go! So awesome to see your attendance climbing! 😊

Your 10-minute task today is 2-fold:

First - please post this picture to your personal Facebook wall. Say something like, "What are the top 5 Pampered Chef items you cannot live without?! I'm having an online party in their new award winning experience and want to know which products are must-haves!! Let me know if you would like an invite - there are a lot of new products, recipes, cooking tips, and even a LIVE cooking demo with giveaways & special offers!"

2nd Message -

The second task is to send out another 40 invites to people you have not invited yet! As we get to this next round of 40, it will mean reaching out to people who you maybe haven't talked to as recently - and that's okay! I've found that sometimes those are the friends that are the most excited to reconnect! I've also found that you just never know has been needing a new food chopper or who has an upcoming wedding gift they might need to buy! So, it's always okay to extend the invite - it's still up to them if they want to join or if they want to order! We can at least give them the opportunity to join and enjoy the cooking demo, recipes, tips, games and be apart of the fun!

4th Message -

Between posting on FB and texting the invite to 40 friends, you'll be excited as you see your attendance continue to climb and you'll definitely hit 30 guests today! You're doing great! 😊 Keep it up! And check out these sweet rewards you can get! Which level would you like to reach? 🎉

Good Morning! Happy Weekend! I am so excited for our party to kick off soon! 🥰
 You are doing a fantastic job inviting - up to X guests now!! 🎉 Way to go! X more to reach our goal! How many have you invited so far?

Is there anyone else we are missing to invite yet today? Think of anyone else who loves to cook, bake, EAT, play games, get recipes, watch a cooking demo, or have fun and invite them! ❤️ You're getting closer to our goal of 30 members for your FREE gift from me! See if you can think of 20 more people to invite today!

Sunday (Pre Party) -

Host Messages -

1st Message -

Your Party kicks off tomorrow!! 🎉 I am so excited! You're doing great with inviting so far! You're up to XX guests!! 😊 Your 10-minute task for today is to send another reminder text to those who you invited but have not joined yet. So many times people get texts while on the fly and then forget about them (I know I'm guilty of that!).

When you send this quick and easy reminder, you'll see a boost in your attendance! Plus - it's way more fun to party with more friends! 😊 I'll share the words in the next message so it's easy to copy and paste. You don't have to use their first name this time since you did in the original invite, so that'll save some time.

And don't forget, if we get 30 in the group by the end of today, you can choose your FREE gift from me! So, if there is anyone else you can think of, go ahead and send them the first invite, too! 😊

Please send me a thumbs up when you get your reminders sent! 👍

2nd Message -

Good Morning! 😊

It's the last day of the party and the day the most orders come in! Let's finish your party strong! With the busy-ness of everyone's lives, there are a lot of people who haven't ordered yet, so let's send them a reminder. This is EXTREMELY effective. 😊 So far, you have \$638 in sales!! Yay! You have \$115 in free spending, one 60% off host special, three 50% off items, and 10% off everything

else! Plus, you could take a \$50 kit credit if you wanted to give Pampered Chef a try? How fun is that!? 🥳

I've had hosts with this level of rewards on a Thursday end up with over a \$1,300 party and a \$280 shopping spree! Would you ❤️ LOVE ❤️ that?

Here's how you can make it happen! It's SO simple and SO worth it! 😊

You'll want to send a private message to each guest who joined the party. Not everyone will order, but most of your friends want to support you and could use some new kitchen items for themselves or as gifts with everyone cooking at home more these days! 😊

2nd Message -

Here is the list of who to send the text to. Please send each of them the message below in private, individual messages (NOT a group message).

Monday (After Party) -

Host Message -

Hey! Happy Monday! Did you have a great weekend? 😊

Quick update on your party! I went ahead and extended it through today. From experience there is always someone who forgets to order or who was out of town or just got caught up with a busy weekend!

One other thing a lot of my hosts like to do to reach the next level of rewards is to send out a message to people who live nearby and do a giant order for them and deliver it to your house to save them all on shipping. Here is some wording you can send them and then just let me know what they say so I can help you place the order & with at least \$150, it will be free shipping and you'll also get to choose a free gift too.

Hey! My Pampered Chef Party is getting submitted tonight and I am trying to reach the next level of rewards, so I'm submitting a group order for people who live near me to save on shipping. Are there any Pampered Chef items you could use for yourself or for gifts? I will add them to the order! Just let me know today, please. 😊
